

INFORMATION BULLETIN

For Immediate Release
November 27, 2020

Respect COVID-19 rules, ahead of the weekend

Northern Health, on behalf of our staff and physicians, is reminding residents to adhere to the new provincial health orders and guidelines as we experience growing COVID-19 activity.

With more frequent cases and clusters, as well as increasing hospitalizations, Provincial Health Officer Dr. Bonnie Henry has issued strong orders and guidelines in an effort to address the surge in cases. The North is not exempt from the increase in COVID-19 activity and hospitalization rates, and we want to reinforce Dr. Henry's call to act appropriately.

We need your support and commitment to act responsibly and to play your part in limiting the spread of the virus. These include (but are not limited to):

- No social gatherings of any size
- Wearing a mask in indoor public spaces
- No non-essential travel
- Staying home if you are sick

The full orders and guidelines can be found at www.gov.bc.ca/covid19.

If you are experiencing potential COVID-19 symptoms, we continue to ask that you self-isolate, and contact your primary care provider or the NH COVID-19 Online Clinic and Information Line at 1-844-645-7811.

Visit the BCCDC website for more info about COVID-19 and how to protect yourself, your family and your community: <http://www.bccdc.ca/health-info/diseases-conditions/covid-19>.
