Full service returns to the Smithers Regional Transit System

SMITHERS – BC Transit and the Town of Smithers are announcing a return to full service effective July 1, 2020 in the Smithers Regional Transit System.

Regular weekly transit service will be implemented on all routes starting on Wednesday, July 1. Routes will no longer be operating on reduced Saturday service levels. However, please be advised that there is no service on statutory holidays in the Smithers Regional Transit System. Service will resume the following day on July 2, 2020.

BC Transit and the Town of Smithers made adjustments to transit services as part of our response to COVID-19 on April 6, 2020.

Following the guidance of the Provincial Health Officer and WorkSafeBC, and drawing on the best practices of the transit industry worldwide, BC Transit is continuing with many of the safety measures put in place to respond to COVID-19, and is implementing additional practices and procedures to align with BC's Restart Plan. Details are available at bctransit.com/covid19.

BC Transit would like to thank our customers for their patience and ongoing support during these challenging times. For more information on schedules and fares please visit BCTransit.com.
