SCHEDULE "B"

SERVICE CONNECTION FEES

1. The fees for the installation of a service connection shall be:

- |  |          |
|--|----------|
| (a) for each one hundred millimeter (100 mm) connection      | \$2,500. |
| (b) for all connections over one hundred millimeter (100 mm) | At Cost  |

Further provided, however, that when a connection is required to be made between the first day of November in any calendar year and the fifteenth day of April in the next calendar year, the foregoing connection fees shall be doubled;

And further provided that when a service connection requires any one or more of the following:

- service connection over one hundred millimeters (100 mm)
- highway asphaltic pavement cut
- cut curb and gutter

the additional costs shall be estimated by the Municipality and paid to the Municipality in advance by the applicant before the work is begun, provided however, should such estimated cost be insufficient to cover the cost, the deficiency shall be charged against the person for whom such installation was made, and provided further that any excess payment shall be returned to the person who applied for the installation.

2. Sewer Camera Video Fee, per occurrence \$125.00
